## WOODRISE 2022

RENOVATION, RESTORATION & REHABILITATION  
OF URBAN BUILDINGS USING WOOD BASED TECHNOLOGIES

## PRECONFERENCE TOUR 5 SEPTEMBER 2022

### FOREST

400 km (round trip)

Two forests:

- Pokljuka, Forestry Bled
- Kočevje, Forestry Snežnik

The Woodrise 2022 preconference Forest tour begins in Portorož and will travel to two of Slovenia's largest forests. Participants will visit Pokljuka, a forest in the heart of the Alps managed by Forestry Bled. Participants will also visit Slovenia's Kočevje region and primeval forests managed by Forestry Snežnik before returning to Portorož.

Bus transportation, guide, and lunch are included.
