

CLT TOUR

WOODRISE 2022

RENOVATION, RESTORATION & REHABILITATION
OF URBAN BUILDINGS USING WOOD BASED TECHNOLOGIES

1-DAY TOUR

8 SEPTEMBER 2022

CLT

700 km (round trip)

One business and one tourist site:

- Lake Bled
- KLH, Stora Enso , Hasslacher Norica Timber, or binderholz (cross-laminated timbers)

The Woodrise 2022 CLT tour begins in Portorož. Participants will visit Lake Bled, Slovenia's most famous tourist attraction, and one of four cross-laminated timber (CLT) producers. These amassing factories churn out more than 100 000 cubic meters of CLTs each year.

Bus transportation, guide, and lunch are included.
