RENOVATION, RESTORATION & REHABILITATION
OF URBAN BUILDINGS USING WOOD BASED TECHNOLOGIES

1-DAY TOUR

8 SEPTEMBER 2022

KOLES

GLULAM

400 km (round trip)

One business and one tourist site:

- Koles (glulam timbers)
- Kočevski Rog

The Woodrise 2022 Glulam tour begins in Portorož. Participants will visit Koles, a boutique glulam producer with a new automated production line. Participants will also explore Slovenia's Kočevski Rog, a primeval protected forest region.

Bus transportation, guide, and lunch are included.
