

# FORMWORK TOUR

## WOODRISE 2022

RENOVATION, RESTORATION & REHABILITATION  
OF URBAN BUILDINGS USING WOOD BASED TECHNOLOGIES

### 1-DAY TOUR

### 8 SEPTEMBER 2022

## LIP BOHINJ

From **wood** to **wonders**.

### FORMWORK

400 km (round trip)

One business and one tourist site:

- Lip Bohinj (formwork panels)
- Bohinj

The Woodrise 2022 Formwork tour begins in Portorož. Participants will visit Lip Bohinj, a company that makes wooden formwork panels from log to finished product. Participants will also explore Bohinj, an alpine village sitting on Lake Bohinj at the edge of Triglav National Park and surrounded by the Julian Alps. Cable car rides to the Vogel Ski Center will give participants a fantastic view of Triglav, the highest peak in Slovenia.

Bus transportation, guide, and lunch are included.
